Basalt Solar Charger

AM118

Universal solar charger equipped with a high efficiency solar panel and strong metal casing.

The Basalt solar charger includes a powerful 3000mAh internal battery, enough energy to charge a mobile phone up to 1.5 times.

You can recharge your mobile phone, tablet, satnav, E-book reader or music player any time you want, without being dependent from mains.

You can also charge your tablet with the Basalt solar charger, thanks to the 2.1A USB output.

Because of the 2 USB outputs, the AM118 gives you the opportunity to charge two mobile devices at the same time. E.g. a smartphone and tablet.

The Basalt solar charger comes with 2 integrated USB outputs, LED indicator for battery status and a free protective pouch.

In short:

- **Strong metal casing**
- **Equipped with internal 3000mAh li-polymer battery**
- **Universal mobile charger for smartphone, tablet etc.**
- **Suitable to charge two devices at the same time.**
